Dear Sir/Madam,

**Approval of "R&T" Float Operated Valve
(General Acceptance No. C20190602F)**

Your letters dated 4 November 2019 and 23 November 2019 refer.

Having considered the test report ref. BC-SUMMARY-2019-66 issued on 17 October 2019 by Castco Testing Centre Ltd., this Authority accepts that the fitting described below complies with, and its use when correctly installed does not contravene, the Waterworks Ordinance and Regulations.

Name of Manufacturer: Xiamen R&T Plumbing Technology Co Ltd
Country of Origin: the Mainland of China
Brand: R&T
Details of Fitting: 1/2" Plastic float operated valve
Model: A1260A
Body Markings: R&T A1260A
Expiry Date: 15 October 2024

Proviso: As the fitting has not been tested for use in contact with water intended for human consumption, the fitting can only be used in flushing water plumbing system.

This Authority hereby permits the use of the above fitting in flushing water plumbing systems subject to full adherence to Waterworks installation requirements. In particular, you are required to draw your customers' attention to the following requirement-

"The flushing volume of the flushing valve should be adjusted to suit the design of the toilet bowl so that wastes can be cleared effectively by a single flush."

"The fitting should be used within the range of working pressures specified by the manufacturer." AND

"The installed fitting should not result in backflow of water that will contaminate the flushing water supply."

A condition of this acceptance is that the fitting to be installed shall be replicas of the sample as certified by the testing agent mentioned above and without modifications. This acceptance may be withdrawn at any time if the standard of the fitting installed fails to meet that of the approved sample or if the fitting is found to be unsuitable for use in flushing water plumbing systems.

For the use of the fitting in any project, the General Acceptance Number of this letter must be quoted as a means of identification of acceptance of the fitting by this Authority.

Should you have any enquiries, please contact our Engineer Mr. Terry KUNG at tel. no. 3583 4086.

Yours faithfully,

(CHAN Chung-kun)

for Director of Water Supplies

Dear Sir/Madam,

**Approval of "R&T" Flush Valve
(General Acceptance No. C20230236F)**

Your letters dated 14 February 2023 and 13 March 2023 refer.

Having considered the test report ref. 225444PC220505A issued on 10 March 2023 by Fugro Technical Services Limited, this Authority accepts that the fitting described below complies with, and its use when correctly installed does not contravene, the Waterworks Ordinance and Regulations.

Name of Manufacturer: Xiamen R&T Plumbing Technology Co Ltd

Country of Origin: the Mainland of China

Brand: R&T

Details of Fitting: 2" Plastic dual flush valve

Model: A2415

Body Markings: **R&T** A2415

Expiry Date: 7 February 2028

Proviso:

As the fitting has not been tested for use in contact with water intended for human consumption, the fitting can only be used in flushing water plumbing system.

This Authority hereby permits the use of the above fitting in flushing water plumbing systems subject to full adherence to Waterworks installation requirements. In particular, you are required to draw your customers' attention to the following requirement-

"The flushing volume of the flushing valve should be adjusted to suit the design of the toilet bowl so that wastes can be cleared effectively by a single flush."

"The fitting should be used within the range of working pressures specified by the manufacturer." AND

"The installed fitting should not result in backflow of water that will contaminate the flushing water supply."

A condition of this acceptance is that the fitting to be installed shall be replicas of the sample as certified by the testing agent mentioned above and without modifications. This acceptance may be withdrawn at any time if the standard of the fitting installed fails to meet that of the approved sample or if the fitting is found to be unsuitable for use in flushing water plumbing systems.

For the use of the fitting in any project, the General Acceptance Number of this letter must be quoted as a means of identification of acceptance of the fitting by this Authority.

Should you have any enquiries, please contact our Engineer Ms Winnie LO at tel. no. 3583 4086.

Yours faithfully,

(YAU Hau Yin)

28 January 2022

Richford Group Limited
G/F, No. 229 Queen's Road West,
Sai Ying Pun,
Hong Kong
(Attn.: Mr. Steven FU)

Dear Mr. FU,

**The Water Efficiency Labelling Scheme (WELS)
on Water Closets
Acceptance of Application for Registration**

With reference to your letter received by us on 1 December 2021 and email dated 12 January 2022, I am pleased to inform you that your application for the registration of water closet to the captioned scheme has been accepted and the certificate of registration is attached for your retention. The registration information is as follows:

Brand	Model no.	Type	Country/ Region of origin	Registration no.	Water efficiency grade	Water flush volume (full) (litres/flush)	Water flush volume (reduced) (litres/flush)
Richford + R&T	R696 + R696C + A2415	Close- coupled Suite	China (WC Pan & Cistern) China (Flushing Valve)*	WC 22-0029	2	6.0	3.4

* General Acceptance No. C20180438F

You are reminded of the requirements to affix the water efficiency labels onto the above water closet/its packaging in accordance with Section 7 of the Scheme Document of the captioned scheme. Soft copies of such labels will be issued to you separately.

As part of the conditions of our acceptance, your attention is drawn to Sections 9.17, 10 and 11 of the Scheme Document respectively for the requirements of the participant's obligations, legal provisions as well as compliance monitoring and inspection. The Scheme Document can be downloaded from our website:

https://www.wsd.gov.hk/filemanager/en/content_1786/scheme_document_water_closets.pdf

Should you have any queries on the above, please contact our Engineer Ms. Winnie LO at telephone no. 2294 2656.

Yours sincerely,

(YAU Hau Yin)

for Director of Water Supplies
